

M7 After: Synthetic Field Notes

A fictional paper for static PDF inspection.

No real research claim, personal data or external links.

Page 1: Compare the article and its supporting file.

A tiny dataset

Period	Alpha	Beta
--------	-------	------

1	12	8
---	----	---

2	18	11
---	----	----

3	15	10
---	----	----

All values are invented.

Inspection checklist
